VALUE OF FARM PRODUCTS IN '53 IN THIS COUNTY SHOWS DECLINE

Adams County farmers found the value of their livestock, chickens, milk, eggs, wool and honey declining in 1953, according to the 1953 Pennsylvania Crop and Livestock Report issued this week by the State Department of Agriculture.

The state report shows however that Adams County farmers did not suffer as large a cut in the value of products as did many farmers throughout the state—it also shows that Adams County farmers, in the prior year did not have as high an income as the average for the state along those lines of agriculture.

The value of livestock, chickens, milk, eggs, wool and honey on Adams County's 2,668 farms was listed for 1953 as \$7,352,760, or an average of \$2,756 per farm. That compared to a 1952 value of \$8,015,139 for the product, or an average of \$3,004 per farm.

Better Than Pa. Average
Comparing the county's averages with the state averages shows that Adams County farmers were not as well off as the average for the state in 1952, but that the county's agriculturists were better off in 1953 than the average for Pennsylvania.

Adams County's \$2,756 per farm average for the selected agricultural products compared to a state average of \$2,319 in 1953. The county's \$3,004 average in 1952 compared to a state average per farm of \$3,268 in that year.

The figures indicated two things, less poultry and livestock on the farms last year compared to the prior year, and lower prices in some instances. Other crops, field, vegetable and fruit in some instances showed gains.

1,500 Horses And Mules
The Department of Agriculture report shows that the county's farmers have more than 1,500 horses and mules. A total of 1,300 horses and mules were counted, with the average value per animal being \$67. Total value of the horses and mules was listed as \$87,100. There were 240 mules in the county, valued at an average of \$89 each, or a total of \$21,360.

According to the report, there were 34,500 head of cattle on Adams County farms in 1953, including calves, and that the livestock had a value of \$5,313,000 for an average of \$154 per animal. A total of 12,900 milk cows and heifers was reported, with their value being \$2,605,900, or an average of \$202 per cow.

The 18,600 hogs on the county's farms were worth an average of \$34.40 apiece, or \$639,840, according to the report. The 3,900 sheep were worth \$14.40 apiece on the average, or a total of \$56,160.

Turkey Production Off
Chickens were a major industry with 797,000 reported on the farms of the county. At an average price of \$1.55, they were worth \$1,235,300. Turkey production skidded in 1953, as compared to the prior year. The report shows 60,000 turkeys raised in 1952 and only 45,000 in 1953.

Adams County's milk cows produced, on an average, better than the national average per cow, but gave less milk than the state average, the State Department of Agriculture report claims. The 12,900 milk cows in the county produced 71,628,000 pounds of milk in 1953, or an average of 5,569 pounds per cow. That compares to the state average of 6,420 pounds per cow and the U. S. average of 5,447 per cow. The average price received by Adams County dairymen was \$4.90 per hundredweight, ten cents less than the state average and 65 cents higher than the national average. The value of milk produced in the county was listed as \$3,509,772.

102 Million Eggs
Production of eggs was a major industry on county farms. The report shows countians had 585,000 (Continued on Page 3)

MGM May Produce Gettysburg Feature

The possibility that Metro-Goldwyn-Mayer may make a two-reel feature film on Gettysburg developed Friday with a visit to the battlefield by Dore Schary, MGM's vice president in charge of production. He was accompanied by Mrs. Schary and their son, Jeb. They live at Culver City, Calif.

Schary, who went over the battlefield with Dr. J. Walter Coleman, Gettysburg National Park superintendent, said he is considering a feature film on Gettysburg and discussed phases of his plans with Dr. Coleman during the several hours he spent on the field.

Schary, an academy award winner as the producer of "Boys Town," was accompanied to Gettysburg from Washington, D. C., by Orville Crouch, manager of the Loew Theater chain.

WGCT To Carry Election Results

From 9 o'clock Tuesday night until 2 a.m., Wednesday, WGCT will broadcast complete coverage of national, regional and local election returns with a full crew operating.

Up-to-the-minute news of the election will be broadcast every half hour from the Court House, the remote facilities of WGCT at the Gettysburg Times and from the local station's studio on the Harrisburg Road. The latest bulletins of the Associated Press will be included.

On Wednesday morning WGCT will present follow-up stories on the election at 6:05, 7:05, 8:10, 9:05 and 10:05 a.m.

FEW FARMERS, CUSTOMERS AT MARKET TODAY

Rain reduced the attendance at the Farmers Market this morning, but most of the farmers said they preferred rain to customers if it had to be that way, because drought conditions were causing wells and springs to go dry once again. One Orrianna area market attendant said: "I hope it rains for at least three days. We need the water."

The customers who defied the rain found fewer farmers in their booths and prices for the most part "the same as last week."

The market offered large quantities of all kinds of foods.

Market Prices
Pork prices remained relatively the same; fresh ham at 75 cents a pound; shoulder at 60 to 65 cents a pound; scrapple, 30 cents a pound, two pounds for 55 cents; pudding, 50 cents a pound; pork loin, \$1 a pound; fresh bacon, 50 cents a pound; fresh sausage, 60 cents a pound; backbone and ribs, 50 cents a pound; lard, 20 cents a pound; pig feet, two for 25 cents; hog maws, 50 to 65 cents apiece and sausage at 20 cents a square. Supplies of pork remained limited however and the majority of the pork available today was ordered a week ago by veteran market customers.

Apple cider was 60 to 65 cents a gallon; new apple butter was 20 cents a jar; pumpkins, 15 to 20 cents apiece; turnips, 50 cents a half bushel, \$1 a bushel, or 15 and 25 cents a box.

There were fewer eggs than usual on the market, and the price was steady at 40 cents for medium, 50 cents for large.

DR. PETZOLDT TO SPEAK HERE

Rev. Dr. William A. Petzoldt, of the American Baptist Home Mission Society, will be the principal speaker at the Family Night services of the First Baptist Church, Tuesday evening. The services will be preceded by a covered-dish supper at 6:30 o'clock. Dr. Petzoldt

will also speak at the Grace Baptist Church, Fairfield, on Wednesday. Dr. and Mrs. Petzoldt served as missionaries to the Crow Indians of Montana for over 38 years. Before his retirement in 1942, they set up a small log home and mission schoolhouse in the Little Big Horn Mountains, where General Custer made his famous stand. Dr. Petzoldt helped to develop the small village into a modern community, where he instituted religious education, a public school, health education, and a social program for the young people.

He was born in Lowville, N. Y., and was educated in the Rochester public schools. He graduated from Marion Collegiate Institute, Marion, N. Y., in 1903. He held pastorates in Carroll, Iowa, and Sheridan, Wyo., and did evangelical work in Sheldon, Iowa, before going among the Crows to live, in 1905.

Wool Jersey Blouses, including the best neck for formal wear, \$3.95 to \$7.95. Virginia M. Myers, 119 Baltimore St., Gettysburg.

FILES SUIT FOR CRASH DAMAGES

Robert O. Burkhardt, Butler Twp., filed an action in trespass against Lester M. Murtorf, Gardners, Friday in the office of the prothonotary. He is asking damages for an accident which occurred on April 23, 1954.

Burkhardt's suit alleges that at 8 o'clock on that evening, he was driving south on the Carlisle Road, through Biglerville, and that Murtorf was heading north when their vehicles collided, "completely demolishing" Burkhardt's 1930 Model A Ford.

He states that the accident resulted from the defendant's "being unable to bring his vehicle to a stop within the assured clear distance ahead," driving "under the influence of intoxicating liquor" and "failing to drive upon the right half of the highway."

The breakdown of the stated damages shows \$140 damages to the car (market price before accident—\$150), \$504.75 medical expenses for a cerebral concussion, three broken ribs, a fractured collarbone, a fractured kneecap, and other injuries, \$155 for loss of wages while recovering, and a sum for "intense pain" and being "handicapped in the regular performance of his duties as an employee of the C. H. Musselman Company."

BIRTH ANNOUNCEMENT
A daughter was born to Mr. and Mrs. Richard Trimmer, East Berlin, at the Hanover Hospital, Friday.

COUNTIAN WEDS WYOMING MAN THIS MORNING

Before an altar, banked with white pompons and chrysanthemums Miss Mary Lizetta Clapsadle, daughter of John William Clapsadle, Orrtanna R. 2, and the late Mrs. Clapsadle, became the bride of Sandy Di John, son of Mrs. Mary Di John and the late Angelo Di John, Cheyenne, Wyo., at a nuptial mass at 10 o'clock this morning in St. Ignatius Catholic Church, Buchanan Valley. The

MRS. DI JOHN

pastor, Rev. Fr. Louis J. Yeager, officiated at the double-ring ceremony.

The bride, given in marriage by her father, wore a white floor-length gown of white satin covered with a design of net and lace flowers. She wore a jacket of lace and floral design over the strapless bodice. The long sleeves tapered over the wrists and the front was fashioned with small buttons from the small rounded collar to the waist. The fingertip veil was attached to a headpiece designed with a small cluster of flowers on either side. She carried a white prayer book topped with white rosebuds.

Mrs. Jeanne Eisenhart, York, the matron of honor, wore a strapless gown of white satin covered with net and a matching orchid net stole. She wore a headpiece of orchid net and pearls and carried a colonial bouquet of yellow pompons. She wore white satin slippers.

Sister Is Attendant
Miss Joan Clapsadle, Orrtanna R. 2, sister of the bride, was the bridal attendant. She wore a strapless gown of coral taffeta covered with net. The taffeta bodice was (Continued On Page 2)

Will Say Mass In Valley Monday Night

Rev. Fr. Louis J. Yeager, pastor of St. Ignatius Loyola Church, Buchanan Valley, today announced that he will celebrate Mass Monday evening at 7:30 o'clock.

Monday, the Feast of All Saints, will be a holy day of obligation for all Catholics.

Rev. Fr. Yeager will say mass Monday evening under a special indulgence recently issued by Pope Pius XII. It will be the second evening mass to be offered in St. Ignatius Church since the indulgence was issued. At the first evening mass, also on a Holy Day, the church was filled to overflowing.

CHEST DRIVE SHORT OF GOAL

The Community Chest Fund Drive will close tonight, still short of its \$17,000 goal, but Fund Chairman John MacPhail is hopeful that the goal can be reached.

"Our total is \$10,200, or slightly over 60 per cent," he said, "but there are still several large contributions expected. For instance, this does not include the \$300 which the Rotary Club donated."

"While tonight marks the closing of the drive, our headquarters in the Chamber of Commerce office will be open Monday, Wednesday, and Friday evenings from 8 to 9 o'clock and solicitors may turn in their collections then. Many people, we understand, do not get paid until the first of the month, and have been holding off their contributions until then."

He urged all solicitors to put forth a final effort for the drive, and requested all those who have not been contacted to mail their donations to the Chest.

Research Balloon Sighted In Sky

Did you see the "flying saucer"? Gettysburgians, and probably most of the county spent more than a half hour Friday evening, starting about 5 o'clock, watching a weather balloon high in the sky and north of Gettysburg.

The last rays of the sun bathed the plastic balloon with a silvery radiance that later took on a reddish glow when the sun sank below the horizon. The object appeared to hang in one spot for a great length of time until it was finally lost to sight in the developing darkness and clouds about 6 p.m.

Meantime telephones of reporters were busy ringing, with persons calling to ask what the object might be: "Is it a flying saucer or what?" WGCT was flooded with calls and announced during the evening that the shiny object in the sky was a weather balloon.

At the U.S. Weather Bureau at Harrisburg the object was identified as a research balloon about 50 feet in diameter and estimated to be 30,000 to 40,000 feet in the air.

Lecture And Concert Series Opens Nov. 4

Herbert Springer, Hanover, instructor of organ at Gettysburg College, will be the featured artist at the first program of the college lecture and concert series which will begin November 4 at 9 p.m. in Christ Chapel.

The first speaker for the lecture portion of the series, which will start November 11 at 8 p.m., will be Dr. S. E. Gerard Priestly. His topic will be "The Near East—Resurrection, Insurrection?" The following evening, groups will meet for seminar discussions. Students may obtain tickets from the office of the chaplain, the Rev. Edwerth E. Korte.

Old Farmers' Almanac Sees "Bitter Cold, Full Storm, Blizzard, Rain And Floods"

Stoke up the furnace and check the antifreeze! This winter will be "cold, windbound, and . . . white." Yes, we will have a White Christmas.

This is the prophecy of the Old Farmers' Almanac, that yearly treasury of weather forecasts, dates, odd bits of information, and homespun wit and philosophy, the 163rd annual issue of which recently rolled off the presses of "Yankee Inc., Dublin, N. J.," under the editorship of Robert B. Thomas. The data that it gives is figured for New England, but a series of tables tell how to make rough adjustments for anywhere on the North American continent.

"Cold, Snow, Storms"
Since many people, especially in rural areas, swear by the Farmers' Almanac's weather predictions, here is what they may expect: The first snow will come around the beginning of November, "bitter cold with snow flurries" for two weeks in mid-December, a "full storm" the beginning of January, followed by "two weeks of cruel cold," a "fine big

GCNA REELECTS FOUR OFFICERS, 10 DIRECTORS

Mrs. Ralph R. Gresh, Mrs. Frank H. Kramer, Mrs. M. R. Remmel and Miss Elizabeth Evans were re-elected president, first and second vice presidents and treasurer of the Gettysburg Civic Nursing Association at a meeting Friday afternoon at 4 o'clock at the YWCA.

Mrs. Raymond F. Sheely was elected secretary to succeed Mrs. Walter H. Danforth who resigned when she moved to Lancaster.

The following directors were re-elected: Mrs. George F. Eberhart, Mrs. Alma Bowman, Mrs. C. B. Stover, Miss Anna McSherry, Mrs. Donald E. Myers, Rev. W. R. Samuel, Mrs. Ida H. Roth, Mrs. Jessie E. Easterday, Dr. Kenneth L. Smoke, Miss Margaret C. Howard, Mrs. Ralph Barley and Mrs. David Blocher. Rev. Robert Wakefield Roberts, Mrs. George S. Forney, Mrs. A. A. Hughes, Rev. Dr. Howard S. Fox and Fred Sanders were also elected.

Mrs. William F. Holtzworth, civic nurse, announced that she had made 90 visits in July and August and 35 in September.

Mrs. Gresh Reports
Mrs. Gresh, who gave the president's report, said, "Our nurse made 533 visits and collected \$506.48. \$42 was paid by the Department of Public Assistance, making a total of \$548.48. Several gifts were received for supplies and for the Association Loan Service."

"Eleven physicians have used the service of the civic nurse for patients."

"We wish to express our thanks to the nurse, Mrs. Julia Holtzworth, for her devoted service and all who served on committees."

"We regret that we had to accept the resignation of our efficient secretary, Mrs. Danforth, because she moved to Lancaster. We wish to recognize her faithful service. We thank Mrs. Myers for serving as a secretary during the last six months."

"We gratefully acknowledge the support we receive from the Community Chest, and we thank the Gettysburg Ministerium for offerings from several community services held during the year, and The Gettysburg Times for the publicity given our organization and the YWCA for use of the building."

Directors Meet

Mrs. Gresh also thanked the various committees and the directors. The board of directors called a meeting immediately after the regular session. Mrs. Gresh presided and the secretary's and treasurer's reports were submitted by Mrs. Donald Myers and Miss Elizabeth Evans. Mrs. Myers read a note of thanks from Mrs. Walter H. Danforth for the gift which the board recently presented her after serving as a member of the board for 20 years. Mrs. Danforth also served as secretary of the organization since 1947.

The association will send a letter of thanks to the Community Chest for the annual allotment of \$1,200.

Concerned About Pedestrian Safety

Pedestrian safety in Gettysburg, especially as it concerns children during periods of heavy traffic, was a subject for discussion at the October meeting of the Women's Civic Council of Gettysburg Friday evening at the YWCA.

As a result of the discussion the women will devote their next meeting on November 12 to the subject of "Town Traffic and Police Protection." The president, Mrs. F. E. Craver, presided with 12 member organizations represented.

The re-election of Mrs. Verna Myers as member-at-large on the council for a one-year term was announced. Mrs. Eugene Sickles was introduced as the new representative from the Legion Auxiliary.

Asks Observance Of 'Mayflower Compact'

Schools in the county are asked by State Superintendent of Public Instruction Dr. Francis B. Haas to observe November 21 as "Mayflower Compact Day," County Superintendent of Schools H. Edgar Riegle said today.

The date marks the 334th anniversary of the signing on November 21, 1620, of the compact between the Pilgrims on the Mayflower which was used for their government in the new colony of America. Dr. Haas is recommending that the Mayflower compact be read to school children on the date observed that it was "the first plan for a self determining government put into effect in our nation and as such is part of the foundation of our form of government."

CRASH ON MT. NEWMAN

No one was injured and damage totaled \$75 when two cars collided on the Lincoln Highway on Mt. Newman Friday afternoon at 2:30 o'clock. Police said William T. Lentz, 34, Biglerville R. 2, attempted to turn as Samuel Cook, 54, Auburn R. 3, Ind., was attempting to pass the Lentz car.

Frank Moore To Be Historians' Speaker

A "double feature" is announced for the November meeting of the Adams County Historical Society to be held next Tuesday evening in the court house basement meeting room at 7:30 o'clock.

Frank M. Moore of Fairfield will present a Fairfield G.A.R. memorial book of the former James Dixon Post No. 83 of Fairfield to the society together with an account of the history of that organization.

Mr. Moore also will recount the story of the Adams (County) Dragons in the Civil War.

HENRY M. HERSH APPOINTED NEW COUNTY AUDITOR

Henry McClellan Hersh, 55, New Oxford, was named by the Adams County Court this morning as county auditor to fill the vacancy caused by the death of John S. Wolfe, Gettysburg R. 4, last January 9 at age 70 after serving as a county auditor for 14 years.

A son of the late Mr. and Mrs. John N. Hersh, late of New Oxford, the new county auditor is a graduate of Gettysburg College with the class of 1922 and for years was connected with the Miller-Bulck Co. in York. He is now retired, and residing at the ancestral Hersh home at New Oxford.

He is a veteran of both World Wars, serving in the SATC at Gettysburg College for several months during World War I and serving as an instrument specialist in the Air Corps during World War II, in eight camps in the U.S.

Three Others Applied

Selection of the new county auditor was made from among four candidates, with petitions presented to the court for that many county men.

Other candidates for whom petitions were received included G. A. Eckenrode, Biglerville; Samuel M. Keagy, Littlestown, prominent in the county Democratic Party and a former county auditor, and Levi Spangler, Straban Twp. school director and farmer.

Hersh will join Auditors George M. Conover and Arthur M. Weikert when they begin the annual audit of the county's funds the first Monday in January.

BUILDERS' SHOW CLOSES TONIGHT

The final day of the Exchange Club's Builders' Show will open at 3 o'clock this afternoon at C. W. Epley's Garage, S. Washington and Chambersburg Sts., and will run through till 11 p.m. One hundred dollars in cash will again be offered in four door prizes, and the grand prize, to be drawn for during the evening, will be a gas incinerator, donated by the Manufacturers Light and Heat Co.

Twenty-four local merchants have erected exhibits of building supplies, home appliances, and other furnishings, at the Epley showroom. Admission is free.

Friday evening, \$25 cash awards were won by Maurice Bollinger, 122 E. Middle St.; H. T. Stauffer, 20 E. Middle St.; Alice Bollinger, 122 E. Middle St.; and Harry R. Keller, 133 Chambersburg St.

IKE TO LAUNCH
CHAIN OF CALLS
FOR GOP VOTES

By The Associated Press
A White House launching was reported set today for an unprecedented political tactic — a projected nationwide "telephone neighbors" campaign to get out a big Republican vote in Tuesday's election.

A GOP official said President Eisenhower will try to start a "chain" of calls by phoning 10 persons around the country, asking each to vote and in turn relay a similar message to 10 others. Eisenhower's flying tour yesterday to four key states also was aimed at bringing a big vote for the GOP.

NAMED INSPECTOR

The Adams County Court this morning appointed Maude E. Harner minority inspector of elections in Freedom Township, succeeding Linda P. Miller, who had been elected to the office but has since moved from the township.

Assassination Attempt Fails

CHAGRIN FALLS, Ohio (AP)—Someone tried to bomb the automobile of Rep. George H. Bender (R-Ohio), GOP senatorial candidate, early today.

But the half pound, seven-inch stick of dynamite failed to explode.

Chagrin Falls and Moreland Hills police said only the detonator cap had gone off on the dynamite placed on the rear floor of Bender's 1946 Cadillac some time after he parked it in front of the garage of his home.

Recently Bender conducted a House subcommittee investigation of purported labor racketeering in Cleveland.

laying hens, which produced 102-375,000 eggs which sold at an average price of 52.5 cents per dozen, making a total value of the eggs \$4,478,775. The report showed Adams County hens as lower in average production than the average for both state and nation. The national average was 182 eggs per hen and the state average, 192. The county's farmers, on the average, received 2 1/2 cents less per dozen for their eggs than the state average and nearly five cents more per dozen than the national average.

The county's 3,600 colonies of bees, valued at an average of \$9 per colony, or \$32,400 for all, yielded 64,800 pounds of honey worth \$13,025, or an average of 20.1 cents per pound. A total of 3,300 sheep was reported shorn in the county, producing 23,760 pounds of wool, or an average of 7.5 pounds per animal. At an average of 57.1 cents per pound, the wool was valued at \$13,567. Again the county was a little below state averages and higher than national averages in the money received per pound for wool. The state average was 59 cents per pound; the national average, 54.7 cents per pound. The county was below both state and national averages in fleece secured from the average animal. The state average was 7.5 pounds and the national, 8.27 pounds.

"VIEW OF HALLOWEEN"

All over this great land of ours... children are filled with cheer... but this is not so strange at all... for Halloween is here... the ghosts are ringing door bells... and goblins join in too... and I am there to welcome them... with goodies they can chew... windows along the avenue... show signs of autumn season... and Mr. Pumpkin broadly grins... because he has good reason... all this makes me recall my youth... and deep inside I long... to don a mask and be a kid... and sing a joyful song... but this of course can never be... so I'm resigned to view... the merriment that fills the land... when Halloween is due.

BRITISH DOCK WORKERS VOTE TO END STRIKE

LONDON (AP)—British dock workers voted today to end their 27-day strike and return to work Monday.

The walkout of 43,000 dockers crippled Britain's major ports and struck a heavy blow to her foreign trade, the lifeblood of this island nation.

The back to work vote was taken at a nationwide series of mass meetings called by the strike leaders.

The men agreed to go back on condition that the question of compulsory overtime be submitted to further negotiations and that men who refuse to work overtime until the issue is finally settled will not be disciplined.

The walkout started in the Port of London to support demands that overtime be on a voluntary rather than compulsory basis. Management maintains that the dependence of ship arrivals and departures on the tides makes compulsory overtime a necessity.

The annual father and son banquet of St. Mary's Reformed Church, Silver Run, will be held on Friday, November 19, in the church social hall. The meal will be served by the Sunday School of St. Mary's Lutheran Church. The Rev. John B. Howes, Westminster, will be the guest speaker.

The Consistory of St. Mary's Church will meet for its November session on Wednesday at 7:30 p.m. in the library room of the church.

JUROR'S PAST MAY MEAN NEW BEGINNING FOR MURDER TRIAL

By WILLIAM L. NEWKIRK

CLEVELAND (AP)—Thirteen days ago, the Sheppard murder trial opened in a stuffy little courtroom warmed by ranks of close-packed newsmen and relatives of the young osteopath accused of clubbing his pregnant wife to death.

For nine days, attorneys painstakingly questioned a panel of 69 prospective jurors in an effort to pick 12 who could give Dr. Samuel H. Sheppard a fair trial. On Thursday a jury of seven men and five women was sworn into service.

Today there was a chance it had all been wasted.

A report that one of the 12 jurors had a criminal record brought up the possibility of a mistrial yesterday that would mean retrying the entire case, selection of a new jury and a delay that could stretch into weeks.

Would Mean Delay

To Sheppard, it could mean a long postponement of the day he will finally be judged innocent or guilty of the crime that left his wife, Marilyn, bloody and lifeless on her bed last July 4.

The state claims he killed her after a clandestine love affair with auburn-haired Susan Hayes, 24-year-old former technician in the hospital where he practiced. Sheppard maintains she was killed by a bushy-haired man who invaded their home on the shore of Lake Erie.

Yesterday's development never got on the official record of the court. The details were provided by Common Pleas Judge Edward Blythin and attorneys for the state and defense in interviews with reporters. Neither the judge nor the lawyers would say flatly whether they consider the situation grounds for a mistrial.

On Morals Case

The juryman in question was identified by Assistant Prosecutor Saul Danaceau as James R. Manning, a tall and dark-haired real estate salesman who wears thin, pencil line mustache. Danaceau said a man with a similar name was convicted 11 years ago of a morals charge involving a 15-year-old boy and given a suspended sentence.

Manning, father of three children, was not questioned in connection with this record during his examination for jury service. Because of that, Police Chief Frank Story ordered an investigation. Story's department is supposed to check the list of prospective jurors and report any criminal background to the state.

"Somebody evidently" muffed, said Story.

He later said the slipup was due to careless action by a criminal records clerk at Central Police Station. The clerk, a female civilian, failed to notice in the department's card file of Cleveland Municipal Court convictions a name similar to that of the prospective juror, Story said.

Three Big Questions

Judge Blythin said he plans to study his lawbooks over the weekend to find how to deal with the problem. He said he is confronted with three important questions:

"If we take the juror on, is that an error?"

"If we take the juror off, does that constitute a mistrial?"

"And if we take the juror off, upon what grounds can we do it?"

Judge Blythin was asked whether the possibility that a retrial might place Sheppard in double jeopardy, which would permit him to go free. A defendant cannot be tried twice for the same crime—or placed in jeopardy more than once.

The judge said there is no question of double jeopardy," that "Sheppard is in jeopardy now. But if a mistrial were declared, the jeopardy would end."

Coalition Cabinet Takes Over In Syria

DAMASCUS (AP)—A coalition cabinet headed by Faris El Khouri, Syrian delegate to the United Nations, took over the Syrian government last night. It replaces Sayid Ghazzi's caretaker regime, which resigned Oct. 14 after holding parliamentary elections.

The new government is composed of representatives of the People's party, which won a majority in the new Chamber of Deputies, Independents and National and tribal blocs.

EAGLES WOMEN AT ANNIVERSARY DINNER EVENT

The third anniversary of the organization of the Ladies' Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2225 was celebrated at a banquet, held on Thursday evening at the P.O.E. Home in Gettysburg. A full course roast turkey dinner was served to the group. Dinner music was provided at the piano by Herbert J. Sell, of town. Potted plants were presented to Mrs. Clara Jacoby and Mrs. Mabel Rutledge, past presidents and Mrs. Ruth Crouse, president.

Those who attended the affair included Mmes. Mildred Flynn, Rose Herring, Ruth Weaver, Ruth Ripka, Clara Jacoby, Helen Weaver, Annabelle Ohler, Florence Sheely, Ruth Crouse, Cleveva Hood, Mabel Rutledge, Edna Olinger, Florence Sheely, Learna Bowman, Ethel Rimel, Margaret Reinman, Catherine Stauffer, Mae Sentez, Hildah Conover, Josephine Hull and Golda Bittle. The door prize was received by Mrs. Rutledge.

The next regular meeting of the Auxiliary will be held Wednesday, November 3, 8 p.m., at the P.O.E. Home, W. King St. Mrs. Ruth Hofe and Mrs. Catherine Stauffer will serve as hostesses.

Plan Annual Dinners

The annual Thanksgiving Day dinner of St. Mary's Lutheran Church, Silver Run, will be served on Thursday, November 25, by the Church School.

Harvest Home service will be held in St. Mary's Lutheran Church on Sunday, November 14, 9 a.m. Donations at this annual service will be given to the National Lutheran Home for the Aged at Washington, D. C.

The Women's Missionary Society of St. Mary's Lutheran Church will hold its annual Thank Offering service tomorrow at 9 a.m. in the church. Miss Helen Lawson will be the guest speaker.

The Council of St. Mary's Church will hold its monthly session on Tuesday at 7:30 p.m. in the church office with the pastor, the Rev. Dr. Frederick R. Seibel.

Donate \$300

The Ladies' Aid Society of St. John's Lutheran Church voted a contribution of \$300 to the church building fund, at the October meeting of the society on Thursday evening in the church social hall. Twenty-one members and two visitors were in attendance.

The program opened with the singing of "Near The Cross," accompanied on the piano by Mrs. Noah Strevig. Mrs. Ralph Wantz and Mrs. Fred W. King were in charge of the program and Mrs. Wantz read the Scripture. Readings for the Halloween season were given by several of the members. A piano duet "Stars and Stripes Forever" was played by Mrs. King and Mrs. Noah Strevig. Miss Melinda Kams sang a solo "In the Temple," accompanied by Mrs. Strevig. The program closed with the Lord's Prayer repeated in unison.

Mrs. George Trump, president, conducted the business session. A report was heard from Mrs. Clayton L. Harget, secretary. The birthday anniversaries of the following members were noted: Mrs. Lloyd Spangler, Mrs. Ralph Wantz, Mrs. Lillie Shryock, Mrs. Joseph Selby, Mrs. Oliver Erb and Mrs. Sterling J. Wisotzkey. One new member, Mrs. Donald Reaver, was welcomed into the Society. The group made plans to serve the Every-member Canvassers of the congregation, on Friday, November 19, 9 p.m., in the church social hall. Prior to serving, the Society will hold its monthly session at 7:30 p.m. At the conclusion of the business, refreshments were served by Mrs. George W. Strevig, Mrs. Paul H. Bowers and Mrs. Joseph Selby.

Plan Annual Banquet
Eileen Crouse will be junior leader at the meeting of the Junior Fellowship of Centenary Methodist Church on Monday evening at 7 o'clock in the parsonage social room.

The Ladies' Aid Society of Grace Lutheran Church, Two Taverns, will hold its November meeting on Monday, 7:30 p.m., in the parish hall.

The annual banquet of the Loyalty Class, taught by Mrs. Carl H. Baumgardner, and the Men's Sunday School Class, taught by Luther D. Snyder, of St. Paul's Lutheran Church will be held on Monday evening, 6:30 p.m., in the church social hall. A program will follow the meal.

SEEK SLAYER IN TRICK-OR-TREAT MURDER OF GIRL

JOHNSTOWN, Pa., Oct. 30 (AP)—Nine state policemen pressed relentlessly today to find the slayer of 6-year-old Karen Mauk, killed while she was making a "trick or treat" tour of the neighborhood in true Halloween fashion.

Sgt. J. A. Blair, a veteran of the force and the father of three children, heads the squad which has been ordered to stay on the case indefinitely.

Blair says there's only one real clue to the man who killed Karen and left her unclothed body in a cemetery at nearby Conemaugh Borough where it was found early yesterday by a volunteer fireman. He declared:

Work Of Sex Maniac

"A tall thin man has been reported seen in the Conemaugh area the past two days. We've had different descriptions of him and he is reported to have approached several children. Just before Karen was reported missing a 14-year-old girl told us the man touched her shoulder as she walked along the street but she broke away quickly and went home."

The state police have been joined by other policemen in a widespread area in the search for Karen's slayer. Although an autopsy showed no evidence of a criminal assault, Police Chief George Fesko of Conemaugh said the slaying is "the brutal work of a sex maniac."

Died Of Suffocation

Coroner Joseph Govekar said an autopsy disclosed that Karen had died of suffocation. State police theorized that a coat or other object might have been held over her mouth.

Mrs. William Mauk was virtually near collapse as a fire siren called volunteers to aid in the search. Her worst fears were realized five hours later when a fireman found Karen's body.

Police said a "trick or treat" bag of candy lay near her head. An apple was near one of her clenched fists.

deemer's Reformed Church will be

held on Monday from 6:30 to 8:30 p.m. in the church social hall. The party is being sponsored by the parents and teachers of the Children's Departments. There will be costume prizes for the prettiest, funniest, ugliest and most original costume. Committee chairmen for the party include: Decorations, Mrs. Kenneth K. Kroh; entertainment, Mrs. Helen Jacobs; refreshments, Mrs. Donald C. Arbogast and Mrs. Edward B. Geiman.

A Message to Adams Countians

1954 Oct. 28 AM 8:59

Washington, D. C.
John H. Basehore, Chairman, Adams County Republican Committee
Gettysburg, Pennsylvania.

Nothing would give me greater personal pleasure than to come to Pennsylvania to bring this message to you and to others in your state WHO BELIEVE WITH US IN THE EFFORTS WE ARE MAKING TO BUILD AN AMERICA STRONG AND PROSPEROUS IN A WORLD AT PEACE. But with only one free day available to me before November second, I am able to visit only a few states. So I must use this means to bring you these thoughts. Will you please convey to one and all in Adams County my conviction THAT VOTING IS NOT ONLY A PRIVILEGE OF EVERY CITIZEN BUT HIS FIRST DUTY. Only if every qualified voter casts a ballot can public servants have certain knowledge that their acts reflect the will of the people. This is the first essential of free government. Yet, I hear constantly about complacency and apathy toward this critical election. Friends tell me this is because the people are satisfied, on the whole, with the kind of government and kind of program they are getting—that many citizens go to the polls only when they are angry or apprehensive about the course of events. IT IS UNBELIEVABLE TO ME THAT GOOD GOVERNMENT CANNOT COMMAND AS MUCH ZEALOUS SUPPORT AS BAD GOVERNMENT COMMANDS OPPOSITION. Let us, therefore, do everything we possibly can to persuade every voter to express himself on election day.

So let's roll up a tremendous vote—CONFIDENT THAT THE OVERWHELMING MAJORITY OF THE AMERICAN PEOPLE SUPPORT GOOD GOVERNMENT AND WILL VOTE ACCORDINGLY. My warm congratulations to you on your splendid work in our common cause. Between now and next Tuesday let us, with enthusiasm and the will to win, do the job that will drive us through to victory.

Out Of The Past
From the Files of the

TEN YEARS AGO
State Police Quarters Sold:
George F. Eberhart, proprietor of the
Eberhart Hotel, Chambersburg
Street, announced the sale of the
West Gettysburg Inn, about one
mile west of Gettysburg along the
Lincoln highway, site of the present
barracks of the local sub-station of
the state police, to Louis H. Sultan,
of Hanover.
Plans for the occupancy of other
quarters by the members of the po-
lice detachment have not been com-
pleted. The police probably will
rent an office in Gettysburg and
make other arrangements for the
lodging and meals for the officers,
it was learned today.

The West Gettysburg Inn was
built by Mr. Eberhart's father and
was first known as the Lincolnway
Hotel. It later was bought and op-
erated by the late Kendrick S.
Lynch and more recently Mr. Eber-
hart purchased the property and
had leased it for use as the police
barracks.
Shortage Of Cigarettes: Ciga-
rette smokers of Gettysburg are feel-
ing the pinch of the acute shortage
of "fags" this week more than at
any other time during the war. And
the shortage appears to have spread
to outlying districts.
A check of nine establishments
which sell cigarettes revealed a de-
finite shortage here. Here's what the
nine proprietors said: 1. "One
pack on hand"; 2. "Three brands,
about 33 packs"; 3. "no cigarettes";
4. "two brands"; 5. "most brands
on hand, but stock is rationed from
day to day"; 6. "all out"; 7. "21
packs on hand, will be sold out to-
day"; 8. "seven brands"; 9. "all
out of cigarettes."

Only one of the places reported
having any of the four popular
brands on hand. Most places ration
cigarettes one pack to a customer.

Today's Talk

PEACE IN STILLNESS
More and more we read of those
who are being taken out of this
world in the very prime of life—
or which should be the ripest and
most productive, of all the years.
Usually the paper states the
cause of the departure—heart fail-
ure. Naturally, life cannot go on
unless the heart functions. I al-
ways wonder why the real reason
is not stated—something like this:
"He overworked his heart. He never
gave it a rest. He didn't stand
still enough."

Stillness is a tonic no less val-
uable than activity. To walk out
into the still night, or to stand be-
side the water's edge of a quiet
morning and note the stillness all
about—the trees so motionless, the
water like a huge pane of glass,
the slightest sound like a faint
smile. How soothing to the nerves
and restful to the mind.
Nature and stillness are twin
doctors. The only fee they de-
mand for their services, however,
is that of time—a man must take
time to rest, to be still, to medi-
tate, if he would be well and en-
joy the full measure of his faculties.
Walking around in the woods,
spending an entire day in solitude
among the many friends of nature,
does more to light up life than
anything I know about. It is for
this reason that I like to see big
parks in cities. It is the best in-
vestment that a city can make.

In the midst of sorrow or trouble
there is a great calm—a stillness.
The sea always seems much more
mysterious when still. The silent
man is usually the thinking man.
Non-talkative companions are the
best and most comforting.

What a different city is the one
very early in the morning—espe-
cially the business section. How
still it is, how fast asleep. But
when the rush of beating hearts
begins, the wear and tear of life
starts all over. The curse of the
city is its lack of stillness.

THE WASTED CHANCE
I found it difficult to speak
Or read the simplest line of
Greek;
Gave up the course, as pupils
may,
To graduate by an easier way.

Too young was I back then to
know
By what is difficult we grow,
That no one wins the high
degrees
By studies that are learned with
ease.

Too late I learned to my regret,
At the first obstacle I met,
By what seemed difficult assailed
Myself I miserably failed.

I had the chance and passed it
by,
For weak of will and heart was I.
Today some classmates, not so
weak,
Can proudly boast of knowing

'52 POLITICAL
REBELLION IN
DIXIE IS ONLY
MEMORY TO GOP

EDITORS: — This is another in
a series of summing-up stories by
Associated Press reporters who
are analyzing the campaign in va-
rious sections of the country.

By DON WHITEHEAD
WASHINGTON (AP)—The Dixie po-
litical rebellion of 1952 that raised
GOP hopes for a strong two-party
system in the South is just a happy
memory for Republicans today.

Southern voters in 11 states with-
out a shadow of doubt will deliver
to the Democrats in Tuesday's
election a block of 11 Senate seats
and around 100 out of 106 House
seats — or almost one-fourth of the
37 senators and 432 representatives
to be elected.

The 1952 revolt which saw Pres-
ident Eisenhower sweep Virginia,
Florida, Texas and Tennessee into
the GOP presidential column didn't
extend very far below the presiden-
tial level — but nevertheless it was
a cause for speculation at the time
that a shift in the South's voting
pattern was in the making.

Back On Track
But the tumult is over. The Demo-
cratic leadership has the old-shoe
comfort of knowing in advance al-
most precisely what to expect from
the South.

The only Democratic concern of
any degree lies in Virginia, Tennes-
see and North Carolina where the
Republicans hold their six Dixie
House seats and in Florida where two
GOP candidates are making
strong bids to unseat Democratic
incumbents. Reports from Associ-
ated Press correspondents in the
South indicate the Republicans are
in danger of losing perhaps two of
the six House seats they now hold.

Outside these isolated areas, Re-
publican candidates are reported to
be making merely token resistance
or else their challenges are
not considered to be serious. Re-
publicans always argue, however,
that many sure Southern Demo-
cratic House victories are offset
by GOP triumphs in Northern dis-
tricts long considered "safe" for
them.

Segregation Issue
In Georgia and Louisiana, the
segregation issue is dominating the
election interest rather than the
fights between Republicans and
Democrats. In both states, the
people will vote on state constitu-
tional amendments designed to con-
tinue segregation of white and Ne-
gro students in grade and high
schools, a practice which has been
declared unconstitutional by the
U. S. Supreme Court.

In South Carolina, attention is
focused on the Democrats' internal
uproar over the election of a U.S.
senator.
This fight was touched off when
the State Democratic Executive
Committee named State Sen. Ed-
gar A. Brown as the party's nom-
inee to succeed the late Sen.
Burnet R. Maybank instead of call-
ing for the election of a nominee
by primary vote.

Byrnes Backs Thurman
The committee leaders defended
the action as the only legal way.
They said there was no time for a
primary before the deadline for cer-
tifying a candidate. The opposition
argued the committee could easily
have found a legal means to hold
a primary if it had wished.

Brown is being opposed by two
write-in candidates, former Gov.
J. Strom Thurmond, who ran for
the presidency in 1948 on the states'
rights ticket, and Marcus A. Stone.
Gov. James F. Byrnes has
thrown his support to Thurmond
and reports from South Carolina
are that Thurmond has a good
chance to score against Brown. But
Brown has the valuable asset of
having his name on the ballot and
that automatically gives him a big
advantage.

Senator To Be Democrat
A sidelight is that Brown backed
Democrat Adlai Stevenson two
years ago while Byrnes and Thur-
mond gave their support to Eisen-
hower.

But regardless of the outcome of
this contest, the state's new sena-
tor will be a Democrat.
In sectional power and prestige,
a Democratic Congress would
mean much to the Southern group
represented by Alabama, Arkan-
sas, Florida, Georgia, Louisiana,
Mississippi, North Carolina, South
Carolina, Tennessee, Texas and
Virginia—more than to any other
region.

Hope From Florida
It would mean that Texas' Rep.

mittees of Congress which shape
the nation's legislative program.
Just about the brightest ray for
the Republicans in the South is
the report they have a fighting
chance to capture two House seats
in Florida which hasn't sent a Re-
publican to Washington since the
Civil War reconstruction days. The
chief reason for this GOP opti-
mism is that a good many Re-
publicans from the North and Mid-
west have retired and settled in
Florida to become an important
influence in the state's elections.

BOY WHO SAVED
DOG WITH GUN
HAS BRIGHTER
FUTURE AHEAD

By HUGH A. MULLIGAN

WEST MONROE, La. (AP)—Ten-
year-old Joe Cooper and the mongrel
dog he rescued from the gas
chamber with a loaded shotgun
headed for a new life today under
the protective wing of a former
governor of Louisiana.

"Attaboy, Joe, we knew you
could do it," his school chums
shouted when City Judge Howell
heard announced the boy would
be released from the reform school
and put in the custody of a mar-
ried half-sister, Mrs. Ray Foy.

The decision came last night after
former Gov. James A. Noe,
a stalwart in the old Huey P.
Long regime, made a surprise ap-
pearance at the juvenile court
hearing and took up the boy's
cause.

Start Fund Drive
Noe agreed to head a nation-
wide fund-raising drive to send the
son of the impoverished widow to
an exclusive boys' school in Ten-
nessee and later to college.

"The dog will go, too, it's all
arranged," Noe beamed as he
posed for pictures with the judge
and Atty. Murphy Blackwell, who
volunteered in the boy's defense.

Joe, tears welling in his large
blue eyes, seemed bewildered by
the scene of wild jubilation about
him. He smiled faintly when neigh-
bors and schoolmates shook his
hand and patted his back, then
buried his head on his mother's
shoulder and sobbed helplessly.

"He's a Good Boy"
"He's crying because he's hap-
py, we're all happy," explained
Mrs. I. L. Cooper, 65-year-old
mother of Joe and eight other
children. "I prayed that I'd never
have to give him up, but it's better
this way. He's a good boy and
he won't ever have to go back to
that school."

Wednesday, JJoe heads for the
Webb School for Boys in Bell
Buckle, Tenn., hundreds of miles

the Conewago near town along with
other renovations being done by the
new owners, Mr. and Mrs. William
A. Martin, formerly of near Abbotts-
town, who are making it into a
year-round home.

Florence Moul, daughter of Mr.
and Mrs. Clayton Moul, who moved
from here to York, recently spent
a day at the local high school with
former classmates.

Many townspeople as well as rural
residents responded October 22 to the
call by the fire company and its
ladies auxiliary to contribute waste-
paper materials to their scrap drive.
The drive was conducted for two
hours in the evening, after which the
firemen took the paper to a mill to
be sold for the benefit of the com-
pany's fire hall fund.

from the reform school where he
spent a little more than three
weeks and the rural grammar
school where he and his dog, Tip-
ple, first got into trouble.

It was the morning of Oct. 6
that the lank and lean mongrel
followed Joe's bike into the school
yard. The principal, Mrs. Tina
Clark, and trustee officer Morris
Griggs, found themselves looking
at a loaded shotgun after they
locked the unvaccinated dog in a
cage and sent for a dogcatcher.

"They said they were going to
kill my dog. He's not much but
he's all I got," was Joe's reason
for getting the family shotgun and
spending lunch money on a shell.

Police quickly disarmed the
blond sixth-grader before any dam-
age was done and, in less than
five hours, a juvenile court sent
him to the Louisiana Training In-
stitute, a boy's reformatory on the
outskirts of nearby Monroe.

US WILL REJECT
PLEA FOR PACT
WITH SOVIETS

By JOHN M. HIGHTOWER
WASHINGTON (AP)—While keep-
ing silent officially, U.S. diplomats
today privately turned thumbs
down on West German Chancellor
Konrad Adenauer's proposal for
an eventual nonaggression pact be-
tween the free West and the So-
viet bloc.

Requests for official reaction to
Adenauer's suggestion, made in a
speech here yesterday, were met
with a "no comment" at the State
Department.

However, officials familiar with
American policies over the past
several years confided the Aden-
auer proposal goes far beyond any
position the U.S. could take in the
foreseeable future.

Won't Sanction Dominance

Warriors Top Hershey 12-6 For First League Win; Led By Williams And Weishaar

Gettysburg High School's football team scored its first South Penn win of the season by downing Hershey, 12-6, before 2,000 in Hershey's huge stadium Friday night.

Ronnie Williams, whose play in recent games has been one of the highlights of the Warriors season, teamed up with Glenn Weishaar in leading the Warriors out of the conference cellar.

For two and one-half quarters Coach Howard Shoemaker's charges played the best football of their season, but a fumble of a punt turned a one-sided game into a close battle.

Gettysburg moved 31 yards to score its first six-pointer after Roland Keller recovered a fumble on the Hershey 31. Williams hit right tackle for 3 which was followed by a Weishaar-Williams pass which was good for 20. Williams made a brilliant catch and nearly went the whole way. Two plays by Fred Furey moved the ball to the one from where Weishaar sneaked over in 0:35 of the second quarter. Don Smith's placement was wide.

Westerdahl Blocks Kick
The Warriors scored again early in the third period after Carl Westerdahl, who played one of his finest games, crashed through to block Willard's punt. Hershey recovered the ball on its 23 but had to surrender it on downs.

After Furey took a pitchout and went around right end, Weishaar faded back with good protection and passed to Williams on the 10 on the far side of the field. There were two Hershey defenders there to knock the ball down, but somehow Ronnie latched on to it. At the six he was stopped by two tacklers, but he shook them off and went over standing up. Smith's placement try was blocked.

The Trojans still had enough fight to make a close ball game. After receiving the kickoff, the Trojans moved to the Gettysburg 40, but penalties moved the ball back to the Hershey 40 from where Willard punted. In an attempt to take the ball on the 9, the Gettysburg man fumbled and Hershey recovered. It took three plays for Ray Kreider to score in 10:40 of the third period.

Trojans Threaten
Hershey threatened early in the final period after Uppermer returned Staley's punt to the Warrior 35. Kreider, on two running plays, moved to the 10, but a fumble caused a loss of five. Kreider was unable to make enough distance for a first down and the Warriors took over.

Two running plays lost three yards for Gettysburg, and Staley punted out to the 35 from where DiBlasio returned to the 25. Weider hit center for 7, but on the next play the center passed wildly and Gettysburg recovered on the Hershey 46.

Neither team threatened during the remainder of the game. Gettysburg will travel to Mechanicsburg Friday night to conclude its season against one of the best teams in the South Penn.

ADVERTISE IN THE TIMES

MIAMI BLASTS FORDHAM RAMS BY RECORD 75-7

By ED WILKS
The Associated Press

This Miami football team of Coach Andy Gustafson is all fired up with no place to go. The NCAA's recent disciplinary order against the Florida school, banning post-season competition, puts a pretty sturdy roadblock between Miami and a bowl bid. And the way the Hurricanes are going, it looks like that order may be the only device capable of stopping Miami this season.

Miami, a newcomer at the No. 10 spot in this week's Associated Press poll after defeating Maryland, exploded in all directions for its sixth victory of the season last night, humiliating Fordham's Rams 75-7.

Defense Worked Too
It was the highest score ever run up by a Miami team and more than made up for a 20-0 upset the Rams perpetrated against the Hurricanes last season in New York's Polo Grounds.

The score was 41-0 at the half as the Hurricanes got off to a good start on a 11-touchdown rampage. Nine different ball carriers did the scoring with Gordon Malloy, Miami's All-America candidate, and Sam Scarnecca each scoring twice. In all, Miami rolled to 37 yards rushing and added 98 yards on three of five pass attempts.

The Hurricanes weren't completely wrapped up in offense, however. Miami's defense rocked the Rams for a minus 2 yards rushing.

Marquette Wins
In other Friday action that got another big college weekend under way, Marquette defeated Detroit 14-13, the Citadel upset Wofford's six-game winning streak 14-13, Richmond knocked off George Washington 7-0 and Denver defeated New Mexico 19-6.

With Miami already safely home, it's up to Ohio State, Oklahoma, UCLA and the rest of the top 10 to do as well today. Ohio's Buckeyes, the No. 1 team, look to have an easy opponent in Northwestern. An OSU victory coupled with a Michigan success against Indiana would bring the two Big Ten leaders another step closer to a title.

Rose Bowl meeting Nov. 20. Oklahoma, with quarterback Jim Harris and end Carl Allison, weakened by the flu, has a job on its hands with Colorado, a fellow Big Seven member that was looking to the No. 2 Sooners too soon last week and lost to Nebraska.

Another big game in the Big Seven puts Missouri and Nebraska, both hot on the Orange Bowl trail since Oklahoma, is ineligible.

Army Should Win
UCLA, No. 2, has a not-so-easy opponent in California, since the Bears still have a Rose Bowl trip in mind. The Uclans, too, of the coast, can't make the big bowl visit again this season.

Southern California, the other coast bowl hopeful, plays Oregon State.

The No. 4 team, Arkansas, runs into Texas A & M in search of its sixth straight victory.

Army, No. 5, tries for victory No. 5 since its opening defeat to South Carolina and ought to find it against Virginia. The other service team, Navy, squares off against Notre Dame, the No. 6 team.

West Virginia's unbeaten Mountaineers, listed No. 7, have what may be the toughest job in the top 10. They face up-and-coming Pittsburgh. Eighth-ranked Wisconsin plays Iowa and Purdue, No. 9, hits Illinois.

Cleveland Barons Grab Loop Lead
By THE ASSOCIATED PRESS

The Cleveland Barons took a big leap and landed in first place in the American Hockey League.

The Barons were tied for fourth in the tight AHL race prior to last night's game with Providence—but were only one point out of first place.

All they had to do was beat the Reds to get on top. And win they did—scoring four goals in the first period that carried them to a 5-2 victory in the only league game.

Cleveland's goals were scored by Eddie Olson, Steve Kraftcheck, Fred Shero, Fred Glover and rookie Jimmy YFarelli, making his AHL debut. Glover, the league's leading goal-getter, netted his ninth tally in nine games.

The Barons have accumulated nine points in the nip and tuck race with Buffalo, Hershey and Providence tied for second at eight points apiece.

Ft. Belvoir Gridders Beat West Chester

WEST CHESTER, Pa. (AP)—The unbeaten U. S. Army Engineers football team from Fort Belvoir, Va., sent West Chester State Teachers College down to their fourth defeat 23-12 before 4,000 at Wayne Field last night.

Former Villanova halfback Bob Haner scored a touchdown and kicked a 16-yard field goal to lead the Belvoir scoring attack in the third quarter. He also kicked two extra points.

CANNERS HOST TO RED LION THIS EVENING
Biglerville hopes to extend its football winning streak to two straight when it meets Red Lion this evening at 8 o'clock. In the last home game of the season, The Cannons defeated Susquehannock last Saturday, 13-7, on a last-minute passing attack by Ken Baltzley.

Bill Coradetti, in his first season as head coach at Biglerville, is "not too elated" over his first win. "I thought we did a poor job," he says. "I've been watching the movies of the game, and it shows up some of our mistakes. We just got a few lucky breaks."

Another damper on his enthusiasm is the condition of several of his players who were injured in the Susquehannock skirmish. X-rays revealed that fullback Jim May, the team's best runner to date; fractured a small bone in his right leg, and is a doubtful starter against the Lions. Quarterback Gene Shaffer has a knee injury, and he may not play. End Don Himes broke two fingers, but is expected to see some action.

Names Replacements
If May cannot play, his spot will be filled by Russ Bolen, a 130-pound sophomore, whose only chance at ball-carrying came last week. If Himes is out of action, Don Hartzell, receiver of the touchdown pass, is a likely candidate for his place.

Another change that Coradetti expects to make is to start Dave Slaybaugh, a 135-pound senior, at right halfback. "Slaybaugh's been running well in practice," he said. "I'm going to give him a chance."

Red Lion has won two of its seven games. "They have a big line and a strong passing attack. We've been weak on pass defense all year," said the Bigler mentor.

Another big weakness all year has been Biglerville's propensity for fumbling. "We do what we can about that," said the coach, "but they don't fumble in practice. They seem to save that for the game."

BITTER FOES TO BATTLE TODAY
PHILADELPHIA (AP)—Penn State and Penn, bitter intra-state rivals, meet at Franklin Field today in college football's television Game of the Day. The game will be televised via the ABC network starting at 1:45 p.m. (EST).

Penn State is a top heavy favorite to add further misery to the lot of a Penn team that has lost five games in a winless season and scored but 47 points against the combined opposition's 176.

Penn hasn't won a football game since the Navy contest of last year. Only a tie with Cornell in last year's finale breaks a string of eight straight defeats. The Red and Blue, long an eastern football power, will need a supreme effort to whip the well drilled State team descending from the Nittany Mountains today.

CONNIE MACK BLASTS AL FOR REJECTING BID OF SYNDICATE

By RALPH BERNSTEIN
PHILADELPHIA (AP)—Connie Mack blasted the American League for rejecting the bid of eight Philadelphia fans to buy control of his beloved Athletics and said he believed the team will play in Kansas City in 1955.

The 91-year-old president of the Athletics said last night that "the Kansas City setup wants the club. Everything works to that end. No matter what the Macks say or do, the answer will still be Kansas City, of course."

Mr. Baseball, as he is known to fans the world over, said American League club owners just didn't want the Philadelphia syndicate to have the team. "They simply didn't want those men to have the club. It's a runaround with an awful lot of pressure to take the A's to Kansas City."

Rebukes Roy
"They wouldn't get away with that stuff on me. They'd have to show me," said baseball's elder statesman. He said if he were a member of the syndicate he would "demand" to know the objection to the group.

In an open letter to the Philadelphia fans read to newsmen by his wife, Katherine, the grand old man of baseball not only lashed out at the league, but rebuked his son, Roy, key man in the many proposed deals to decide the fate of the bankrupt franchise.

"He (Roy) has been behind everything since May, telling everybody one thing and doing something else," said Mack.

On the other hand, Connie had nothing but praise for his son, Earle, the other of the three owners of the team. "I don't think it's any fault of Earle's. He's been wonderful about everything."

Family Won't Operate It
Referring again to the local syndicate, Mack said:

"These good businessmen have the money and want the club but they (league owners) who voted against approval gave the answer that they weren't rejected—they just weren't approved."

"Isn't that dressing it up a bit?" he asked. "Are we back in the first grade?"

Mack refused a hint by Roy that the Mack family might operate the team in Philadelphia next year. "There isn't a chance of the family operating in Philadelphia next season," he said.

Syndicate Is Dead
The Philadelphia syndicate died legally yesterday afternoon when T. R. Hanft, one of the group, received from a midcity bank the \$1,400,000 that had been held in escrow for payment to the Macks.

At the same time, J. Channing Ellery, team counsel, took back the club stock certificates held in the same bank.

Roy Mack yesterday denied a report that he had voted against the syndicate in the ballot that barred the sale to the group.

Asked what his next step would be, Roy said: "Guess we'll have to operate as best we can. We'll have a meeting Monday or Tuesday and talk things over. I am truly disappointed in the deal with the Philadelphia syndicate didn't go through."

As for the syndicate, most of its members weren't talking for publication. John Criscoli, automobile dealer and one of the eight, expressed the sentiment of the majority when he said "I have good reason to believe that someone handed us a doublecross."

RICH DASH FOR CASH AT CAMDEN
CAMDEN, N. J. (AP)—A red-hot horse for the 1955 Kentucky Derby may pop up today as 15 trim 2-year-olds take off in the richest dash for cash ever staged on a race track.

This is the \$100,000-added Garden State Stakes, a mile and one sixteenth scramble for the folding green that will net the winner a cool \$151,095.75 if all 15 start.

Mrs. Russell A. Firestone's Summer Tan is the probable 2-1 favorite in the second running of the event at Garden State Park, (to be televised on CBS network starting at 4 p.m., E.S.T.) With 15 fancies the starter, the pot will hit a staggering \$269,965, or \$570 more than in the 1953 race. However, the net to the winner will be slightly less than a year ago when the Cain Hoy Stable's Turn-O banked \$151,282.25. Larger entry fees made the difference this year.

Delone elected to kick instead of receive to open the second half. The kickoff looped out of bounds and Harrisburg had control on their own 40. The hard charging of the Crusaders' backs drove to the Delone 10-yard marker. Salinger picked up two yards off tackle while Sladinski went the remaining 8 yards of the end spot for his third and final TD of the game.

Avery passed to Salinger for the point and Harrisburg led 20-0.

As the third stanza came to a close Delone had possession of the ball on their own 18-yard line but fumbled and the Crusaders recovered. A one-yard gain by Avery and a pass that covered 11 yards placed the ball on the Delone 3. It took Harrisburg four plays to score but Avery finally got across

Delone Handed 38-7 Loss By Harrisburg Catholic In League Game Friday

Coach Gene Bonelli's gridders of Delone Catholic High received a 38-7 lacing from the Harrisburg Catholic Crusaders Friday night on the loser's gridiron. The win gives the Crusaders an excellent opportunity for the Central Penn Catholic League title.

Harrisburg won the toss of the coin and elected to receive. Salinger received Gift's kickoff and brought the ball up to his 40-yard line. On straight line plays by Bekelja, Salinger and Sladinski, the ball was advanced quickly to the Delone 39. Trying to kick for the side lines, Bekelja punted into the end zone, giving Delone the ball on their own 20-yard line. After three unsuccessful plays, the Crusaders once again had possession of the ball, on the home team's 40-yard marker. Frank Salinger plunged for 2 yards, while Radoevic, on the next play, skirted right end for 40 yards and a Crusader touchdown. Salinger's attempt for the extra point was low.

Crusaders Roll Ahead
Delone, after receiving the kickoff, was again unable to advance the ball any great distance and was forced to kick on fourth down. On the first play Salinger darted off the right end for 22 yards, placing the ball on the Delone 8. From this point Sladinski bolted his way through the line for the second Harrisburg touchdown. Salinger's point was wide and as the first period came to close Harrisburg led 12-0.

Early in the second quarter Harrisburg took possession via a Squire punt. On a sustained drive of 59 yards the Crusaders marched for another tally. On this drive Bekelja, Delinger, Radoevic and Sladinski all did a fine job in picking up large ground gains and succeeded in placing the ball on the Delone 5-yard line. From there Sladinski cracked over for his second touchdown of the evening. Salinger's third attempt for the conversion was blocked and at half time Harrisburg led 18-0.

from the 1. Salinger's placement was good.

Harrisburg scored once more in the final period on a long end run sweep of 25 yards by Solits and again Salinger's placement was good.

Delone's tally came in the same quarter when the Squires had possession of the ball on their own 44. Funk then started passing and completed a long one to Bevenour that carried for 56 yards and a Delone score. Carroll Funk booted the extra point and the final score stood 38-7.

Says Driver's Attitude Is Vital To Good Driving; Relaxed Hand At Wheel Is Best For Car

By FREDERICK C. RUSSELL

Nothing annoys the owner of a car with power steering like a good chance to park and a "no-parking" sign.

Driver's Attitude Vital

It requires many years of experience at the wheel to reach the conclusion that our attitude as a driver has much to do with the car's performance. Operators who are relaxed seem to have a way of unconsciously giving their cars every advantage whereas the tense driver invites trouble by operating the car erratically. When one driver borrowed a friend's car for a

trip over some hilly country he took all grades without having to kick down the accelerator to the passing gear, much to the owner's surprise. The borrower had merely applied the old rule about speeding up upon approaching a hill. He did this because he wanted to treat his friend's car as well as possible. His attitude produced results which the owner himself had not been able to obtain.

Checking with a number of motorists I find that few recall ever having had any serious car trouble within the hour after having stopped off for a good dinner, but

there were plenty of instances of serious breakdowns in the period when trying to reach a destination. In the latter situation the cars were being whipped, drivers not using their best methods. There was tenseness, sometimes fear and irritation, at the wheel. Cars have a way of reacting accordingly.

Time For "Neutral"

Few operators of modern transmissions realize it but the engine will run cooler when the car is caught in a traffic tie-up if the selector lever is moved to "Neutral" instead of being left in the "Drive" position. This is because in "Drive" there is a certain amount of drag on the motor which tends to make it run hotter. You will save gas too by remembering this little tip.

Still A Good Rule

If you don't believe that history repeats itself just listen to what I said in this column just twenty years ago:

"Speaking of hydraulic brakes brings up the timely pointer to have the brake lining looked over now and again even if the car is stopping well. Many cases have been found where cars have been stopping with the lining practically worn out, due to the effective pressure obtained with this type of braking. Very much the same thing is coming into the picture with braking systems using assisters."

I was here referring to power brakes which were on some of the leading cars then and were later discarded. I think my statement carries a clear warning to those who drive cars with power assistance for the brakes. Be sure to have brake lining checked over periodically.

Mechanic Joe Speaking:

"Steering is one of things in a car's behavior which can change adversely while on a trip. The most common trouble is overloading which causes a change in front-end caster when the rear end of the car sags. A lesser known factor is increase in tire pressure. There may be a build-up of as much as seven pounds pressure which causes the front wheels to pivot too much, and the car to

have a marked inclination to wander. This often happens because the owner starts out with the tires underinflated. The more the sidewalls flex the more heat is generated and the greater the increase in pressure."

Few drivers ever think it, but when dusk arrives and the headlights have to be switched on the smart and safe driver is to pull over to side of the road to make a few checks. First see that both lights are operating, and that the taillights are in action. Next dust the windshield on the inside as well as the outside. Dusting the rear window will also help to cut down glare from lights of cars behind. If you wear glasses be sure to clean the lenses. Many a glaring headlight is just too much refraction from dust-covered specs.

They Were Warning Us

Hydraulic valve lifters serve as excellent warning signals if there is any trouble with the engine's cooling system or its oil supply. Whenever the engine runs too hot the oil thins down and lifters are likely to become noisy. I had a perfect illustration of this the other day when riding in a friend's car. Noisy lifters saved him a badly damaged engine.

When he stopped to investigate the source of the disturbance a check on the oil supply showed that the level was down to a little over a quart, in spite of the fact that before starting on his trip there had been a complete oil change. At a nearby filling station it was discovered that the oil filter gasket did not fit properly, allowing oil to leak out around the cover. Something that surprised us was the normally high reading of the oil pressure gauge even with the low oil supply and the thinned out condition of the oil. The engine did not run too hot either. With automobiles anything can happen, and does.

Speaking of oil leakage be especially careful to make sure the gasket for the oil filter cover is properly installed. Some of these gaskets seem to us to be too narrow, making good seating difficult. Filters can lose a lot of oil unless the gasket is in good order and carefully installed, even if the cover is screwed down tightly. Since the gasket has to be purchased with the new cartridge it is rather expensive to ignore the rule about careful installation.

When a friend of mine tried to get out of overdrive by kicking down on the accelerator past the resistance point he was surprised to find that the engine stopped. For the balance of the trip he locked overdrive out and used the car conventionally. But back home his mechanic replaced the solenoid. A defect here causes this failure of the engine.

The car beautification folk will be happy about this, but in all sincerity I have to advise that the

old can of paste wax which you may have had in the garage since way back before World War 2 should be discarded in favor of something newer. It is too soft a wax and lacks the improvements found in the latest products. A soft wax is inclined to attract dirt when applied to the car because it doesn't buff to a high finish. I also know from experience that it doesn't pay to try to polish the car with an old can of lacquer cleaner. The best work is always

done with a fresh can. I do not know whether the ingredients deteriorate or whether it is simply that when the can is new you get the benefit of a higher percentage of the active materials.

BETHLEHEM TO RUSH MERGER AND IGNORE U.S.

NEW YORK (AP)—The chance of a red hot court battle between huge Bethlehem Steel Corp. and the Department of Justice seemed greater today.

Eugene G. Grace, peppery 78-year-old board chairman of the world's second biggest steelmaker, told newsmen Thursday he had "no thought of quitting" on plans for a merger of his firm and Youngstown Sheet and Tube Corp.

He expressed complete disagreement with Attorney General Brownell's statement on Sept. 30 that the proposed merger would violate the anti-trust laws by substantially lessening competition.

"It may be that the courts will have to decide it," Grace added. "We are surveying that possibility and all possibilities."

Meanwhile, he said, discussions of the merger are still going on between Bethlehem and Youngstown.

May Avert Suit

His company had been assured by "the best available legal counsel" that present law does not bar the merger, Grace said, adding, "We may be able to settle it out of court—I don't know."

On Tuesday this week Stanley N. Barnes, assistant attorney general in charge of the anti-trust di-

vision, said the government would file an anti-trust action if the merger is attempted.

Youngstown, the nation's sixth largest steel producer, has a rated steelmaking capacity of 5,500,000 tons while Bethlehem has 18,500,000.

The combined total of 24 million tons would still be far behind the 38,715,000-ton capacity of United States Steel Corp., the world's biggest steel producer.

Declare Dividend

Grace made it plain that Bethlehem wished to move closer into the giant steel market of the midwest by acquiring Youngstown's plants in the Chicago area.

The merger, he said, would increase competition in the steel industry, not decrease it, would boost employment and contribute to national defense.

Grace talked to newsmen after Bethlehem's board of directors declared a dividend of \$1.25 a common share, payable Dec. 1 to holders of record Nov. 8.

This dividend boosted Bethlehem's total for 1954 to \$5.75 a share, the biggest since 1946 when \$6 a share was declared. That was a year before the dividends were adjusted for a 3 for 1 stock split and dropped to \$2 a share.

Bethlehem's nine-months earnings totaled \$84,453,87, or \$8.30 a share, compared with the record-smashing first nine months last year which gave net income of \$9,525,40, or \$9.25 a share.

Third quarter net income was \$25,895,487, or \$2.53 a share, compared with second quarter earnings of \$30,755,412, or \$3.04 a share.

SUFFERS BROKEN BACK

HARRISBURG (AP)—Charles Pickup, 22, a miner of Lykens, suffered a broken back Thursday when he was pinned beneath a slate cave-in in a small mine owned by Charles Williams, Lykens, on Short Mountain between Loyaltown and Gratz. He was admitted to Polyclinic Hospital here in a serious condition.

ACCIDENTALLY SHOT

HARRISBURG (AP)—Goldie Mae Duncan, 7, of nearby Marysville, was accidentally shot in the thigh Thursday afternoon while playing with her sister, Olessa, 15 on the farm of Harry O. Metz, a neighbor. The bullet was removed at Polyclinic Hospital here.

DEMOCRATIC LEADER TAKES ISSUE WITH IKE

TRENTON, N.J. (AP)—Adlai Stevenson chided President Eisenhower Thursday night for the use of the Communists-in-government issue by Vice President Nixon and other Republicans in the current campaign.

The 1952 Democratic presidential candidate remarked that "a singular thing happened" at Eisenhower's press conference Wednesday in Washington, when the President said he did not know about Republicans' use of the "communism" issue.

"Surely this must be the first time in history that the President, the leader of his political party, doesn't even know, let alone influence, his party's campaign," Stevenson said. "Surely this must be the first time in history that the President and the vice president of the United States aren't on speaking terms."

Speaking before a crowd at the Trenton War Memorial Building, Stevenson said Eisenhower predicted last year that the campaign issue would be the record of the administration rather than Communists in government.

Cites Red Issues

"But what happened?" Stevenson asked.

"In New York, Messrs. (Thomas E.) Dewey and (Irving M.) Ives charged Averell Harriman with larceny and corruption; in Illinois the Republicans are charging a great senator, Paul Douglas, who almost died fighting for his country at Okinawa, with Communist

affiliations; in Wyoming and Colorado the Republicans publish ads suggesting that the Democratic candidates are Reds and are serving foreign governments."

Check GOP Tide

Stevenson said the pattern was the same throughout the country.

And he said the "President's favorite campaigner, the heir apparent, the chief of staff—the vice president of the United States, Mr. Nixon—is the leader of it all."

Stevenson's speech here, telecast in the metropolitan area, followed a day of campaigning in behalf of the Democratic nominee for U.S. senator from New Jersey, Rep. Charles R. Howell.

Stevenson called for the election of a Democratic Congress next Tuesday as a means of checking "the tendency of the last two years to separate the United States from our allies in world affairs," of restoring "the dignity of congressional investigation," and of strengthening "the atmosphere of individual freedom."

As for the Eisenhower program, Stevenson said that where it has been "responsible and constructive, it has not only received unstinting Democratic support, but that support has in many crucial cases provided the President his margin of victory."

"This would strongly suggest," he declared, "that a Democratic majority in the Congress could be trusted to support the President on basic questions of security and welfare."

Stevenson described as "singularly unrealistic and ungrateful" what he said was Eisenhower's prediction of a political "cold war" if Democrats gain control of Congress.

The handwriting of the first Queen Elizabeth of England was all but illegible.

All Time Low In Nation's Unemployment Without War UNDER EISENHOWER

The Democrats have NEVER been able to produce high employment EXCEPT BY GOING TO WAR.

There were 10,390,000 unemployed Americans under the Democratic Administration in 1939.

Even in 1941, when defense billions were pouring out, there were still 5,560,000 seeking jobs.

During the period of no war in the seven years of the Truman Democratic Administration, the LOWEST number of unemployed was 3,800,000.

Today—WITHOUT WAR ANYWHERE IN THE WORLD—there are 1,100,000 LESS Americans Unemployed under the Eisenhower Republican Administration.

Now, under the Eisenhower Republican Administration, there are 63,000,000 employed—THE HIGHEST IN THE HISTORY OF OUR NATION ... WITHOUT WAR ANYWHERE.

President Eisenhower and the Republican Congress have in a short 20 months made 1954 THE MOST PROSPEROUS YEAR in American History ... WITHOUT A WAR.

All this and a \$7,400,000,000 tax reduction, too!

Savings and bank deposits, life insurance and new home construction are THE HIGHEST IN OUR HISTORY UNDER THE EISENHOWER REPUBLICAN ADMINISTRATION.

These are facts that cannot be denied! Don't be fooled by the falsehoods and the political bunk handed out by the Democrats to scare you in order to get your vote.

TOP HURDLES
IN CHANGING
TOWN'S NAME

JIM THORPE, Pa. (U)—There are a lot of problems in changing a town's name, but none is unmountable.

Joseph L. Boyle, editor of the Jim Thorpe Times-News and executive secretary of the Jim Thorpe Industrial Development Assn., feels that way about Jim Thorpe which less than five months ago was known as Mauch Chunk and East Mauch Chunk.

"We had a woman who was steeped in the Mauch Chunk tradition," he told a newsman. "She objected to the new name. Another woman asked her if she had been just as upset about changing her name at marriage. The conversation ended right there."

The renaming of Mauch Chunk is of prime interest at State College where voters next Tuesday will decide whether their borough

EDUCATOR SAYS
HE LOST SCHOOL
POST ILLEGALLY

HARRISBURG (U)—The State Department of Public Instruction today had under advisement an appeal by a Delaware County educator who contends his was demoted in violation of the State School Tenure Act.

The matter was brought before the department at a public hearing Thursday conducted by Dr. Francis B. Haas, department superintendent.

At the hearing, an attorney for C. Milbourne Smith said the Darby Twp. School Board illegally eliminated Smith's post as supervising principal of township schools.

"As supervising principal he was not given sufficient notice of the board action," said Donald Lehrkinder, Chester attorney.

Lehrkinder told Haas that Smith served in the capacity for some 30 years until July. At that time, he said, the school board received authorization to change the township status from a fourth class to a third class township.

Set Up New Job

At a meeting the township board voted to eliminate Smith's post and establish a new job of associate superintendent.

Smith's lawyer testified that, in effect, this action was a demotion.

Howard M. Lutz, solicitor for the Darby Twp. School Board, maintained that Smith, under terms of the state school code, was not qualified for the newly created post and that the school board had the right to eliminate the old job for administrative purposes.

Smith attended the session but did not speak.

Haas said that crux of the problem was whether the supervisory post could be eliminated under the terms of the tenure act.

However, Lutz said that the Darby Twp. School Board had been faced with increased enrollment problems because of growing population in the township.

"Overcome Problem"

He added that the board felt the best way to overcome the problem was to create the new post and eliminate the supervising principal post.

At the same time, Lutz said the board found that Smith did not meet the legal requirements for the new post, which include either an advanced college degree or 30 graduate credits.

With the elimination of the supervising principal post, Smith was offered the position of principal in the Darby Twp. Junior High School or principal of the township's two elementary schools, Lutz said. The salary for the posts, Lutz said, was to be the same as Smith's salary in the supervisory post, \$4,775.

Chunk" signs at entrances to the town.

As Boyle puts it:

"It may have cost some individuals some time and money in changing the town's name but they've accepted it. But we're happy that we have a new place on the map."

ORRTANNA — Mrs. Elizabeth Vance spent the past week with relatives in Washington, D.C., Chevy Chase, Md., and West Chester.

Herbert Wetzel has resumed his studies at Penn State University after a weekend stay with his parents, Mr. and Mrs. Dale Wetzel.

The Rev. and Mrs. Glenn Musselman had as weekend guests Mrs. Musselman's parents, Mr. and Mrs. Charles Shenk, Goshen, Ind., and her brother-in-law and sister, Mr. and Mrs. Ernest Lehman, Akron, Pa.

Mr. and Mrs. Charles Cook and son, Joe, Dover, R. 1, visited Saturday with Mr. and Mrs. Luther Wetzel.

Mrs. Samuel Weaver, Mr. and Mrs. Richard Weaver and Stanley Plank, all of Hagerstown, were dinner guests Wednesday of Mr. and Mrs. Raymond Pepple.

Mr. and Mrs. Paul Wetzel and son, Wendell, visited Sunday with Mr. and Mrs. Myron Mickle, Quincy, Pa.

Mr. and Mrs. Derrin C. Wileman have moved from the Bucher farm, McKnightstown, to the Clem Hartman farm recently vacated by Mrs. Mervin Kepner and family.

Mr. and Mrs. Brady Hill and daughter, Peggy, Chambersburg, visited Sunday with Mr. and Mrs. Raymond Pepple.

New Oxford

NEW OXFORD — Mr. and Mrs. Robert Stock and son, Larry, who had been residing with their parents, Mr. and Mrs. Harry Cleaver, East Berlin R. 1, have moved to East Berlin R. 2, tenaning the Henry Reese farmhouse.

A number of young women of Immaculate Conception Catholic parish were received as members of the Rosary Confraternity last Sunday evening. The new members will attend the 7 o'clock Mass in a group and receive Holy Communion in a body with the society on November 14.

Miss Eileen J. Myers, daughter of Mr. and Mrs. John Gable Myers, R. 1, a sophomore in elementary education at Shippensburg State Teachers College and a member of the college chorus, was recently "queen" of the

banquet at Chambersburg that climaxed the football game marking Homecoming activities. On that occasion, Miss Myers had been chosen sweetheart of Phi Sigma Chi and was on the float that led the Homecoming parade.

He added that the board felt the best way to overcome the problem was to create the new post and eliminate the supervising principal post.

At the same time, Lutz said the board found that Smith did not meet the legal requirements for the new post, which include either an advanced college degree or 30 graduate credits.

OLD SNAKEROOT
INDIAN REMEDY
CURING INSANE

By ROBERT GOLDENSTEIN

CHICAGO (U)—A research team has reported "damatic" and seemingly "incredible" results in treating "hopelessly" insane patients with a new form of an old snakeroot remedy from India.

They said the drug, reserpine, brought improvement in 80 per cent of the 74 "back ward" mental hospital patients they treated. Eight have been discharged and 20 others have become so much better with continued use of the drug that they may be sent home on leaves of absence.

Reserpine also appeared to help mentally retarded patients.

The doctors said reserpine should not be regarded as a "panacea" in the treatment of the mentally ill and mentally retarded. However, if further studies bear out their results, they added, "reserpine will be the most important therapeutic development in the history of psychiatry."

Revolutionize Treatment

They said they expect it to revolutionize present psychiatric treatment.

They added they believe reserpine can be substituted as superior or the often-feared electro-convulsive shock treatments in 75 per cent of mental cases.

Reserpine is a chemically pure derivative of rauwolfia serpentina. This Indian plant has been used for centuries in the treatment of mental illness, insomnia, snake bite, anxiety states and other conditions. Lately, it has been found effective in lowering blood pressure in hypertensive patients.

The team of American physicians, Drs. Robert H. Noye and David B. Williams of Modesto, Calif., and Walter Rapaport of Sacramento, investigated reserpine because of recent enthusiastic reports from India on its effectiveness in mental illness.

They selected for their study only those mental patients at Modesto State Hospital with the poorest prospects for recovery.

County Agent Suggests
Freezing, Storing Hens

By FRANK S. ZETTLE
Adams County Farm Agent

How should I market my hens? That's the problem facing many egg producers in Adams County today. According to the outlook, prices are low and are likely to stay low for some time to come. Supplies are heavy, and storage stocks are even up a little compared to those a year ago. What's more, the hesitancy of producers to sell hens ... because of current low prices ... further adds to the weakness of egg prices.

Now here's a ray of hope ... in fact, a way in which some producers can possibly increase their returns from Leghorn hens. If you do any retailing, and if you have storage facilities available ... you may find it profitable to butcher and freeze your hens now, and plan to sell the frozen birds in late winter or early spring. Prices are generally highest in February, March and April. Better look into the idea of freezing and storing those stewing chickens.

Help Small Wheat Grower

The small wheat producer of which there are many in Adams County has been given a "break" in new cross-compliance provisions announced recently by the U. S. Department of Agriculture.

A farmer who harvests no more than 15 acres of wheat next year will not lose his eligibility for price support on other crops, provided he stays within his allotments which have been determined for his farm.

Apply To Harvest

The 15-acre-or-less cutoff also applies to wheat marketing quotas and marketing penalties. A farmer may harvest and sell up to 15 acres of wheat without paying a marketing quota penalty. He will not be eligible for price support on wheat,

however, unless he harvests no more than his actual allotment.

It should be noted that the rules apply to wheat harvested, rather than to wheat planted. New legislation provides that farmers who plant in excess of any crop acreage allotments will be given an opportunity to adjust their acreage before harvest. Any wheat acreage used before maturity for hay, silage, pasture, or as a green-manure or cover crop will not be considered as wheat in determining compliance for wheat marketing quotas or price support.

To be eligible for price support on corn, tobacco, cotton, peanuts, or other crops, a farmer will be required to stay within his acreage allotment on these crops, harvest no more than 15 acres of wheat or his actual allotment—whichever is the greater—and stay within his 1952-53 average acreage of com-

BULLETIN

LONDON (U)—The Foreign Office announced today that two junior staff members of the British Embassy in Moscow have been recalled because of an incident in the Soviet capital.

A spokesman said the Russians had not asked for the recall but British Ambassador Sir William Hayer had sent them home lest there be trouble with the Soviet police.

PROGRESS WITHOUT WAR
UNDER PRESIDENT EISENHOWER

ACCOMPLISHMENTS OF EISENHOWER AND HIS
REPUBLICAN CONGRESS:

- ENDED KOREAN WAR
Eisenhower went to Korea as he promised and was shocked by the needless loss of American lives. He came home and began an immediate build-up. The chronic ammunition shortage was ended. Then Ike succeeded in obtaining peace.
- GOT BIGGER BENEFITS, MORE SECURITY FOR INDIVIDUALS
10,000,000 people were added to the social security system, the first major change in social security since 1935. In addition, 49% million Americans already covered got increased benefits. Unemployment compensation was extended to more than 4% million persons who were not previously covered. Railroad retirement benefits were increased.
- STRENGTHENED NATIONAL DEFENSE WITH SMALLER BUDGET
Eisenhower has been able in two years to save nearly \$8,000,000,000 by revision and reorganization of the Defense Department ... not only without loss to our fighting strength but with an actual increase in combat power, in mobility and in vast improvement in our devices for interception of the enemy. For example, the fire power of our infantry divisions has increased, the number of people in the Army who are actually combat trained has increased, and the number of air wings has increased to 115 despite Ike's cut of \$5,000,000,000 from the Air Defense budget.
- LIFTED RIGID PRICE AND WAGE CONTROLS
Early in '53 the Republicans under Ike lifted the controls and ended the New Deal economic mess! There were no wildly rising prices! The cost of living was stabilized!
- Unemployment, regardless of the fact that our population has increased more than 31 million since 1939, is one-third of what it was at that time under a Democratic Administration. Today there are more than 62 million employed, almost the highest in our whole history without war.
- CLEANED OUT COMMUNISTS IN GOVERNMENT
Many convicted communists is the record of the first year and a half of the Eisenhower Administration. Three times as many alien subversives have been deported in this Administration. Under it the internal security of our country has been strengthened by eight newly enacted anti-Communist laws, including the outlawing of the Communist Party.
- CUT GOVERNMENT SPENDING AND REDUCED TAXES
The Eisenhower Congress cut the Truman Administration's spending plans by the enormous sum of \$27,000,000,000. They reduced taxes by \$7,400,000,000. Of this amount \$4,500,000,000 was returned to the individual wage earners.
- INCREASED BENEFITS FOR VETERANS AND THEIR FAMILIES
The Republican Congress increased disability payments to veterans and improved the Veterans Administration health program, providing more hospital beds and medical care for veterans.
- SUCCEEDED INITIATING SOLUTIONS TO MANY OF THE WORLD'S DANGER SPOTS
The Suez Canal controversy was settled quietly; Iranian oil dispute ended with Iran back on the side of our Western Allies; Communists were driven out of Guatemala. At long last, we have an Administration that is brilliantly working and maintaining peace.
